KOFOLA ČESKOSLOVENSKO A.S.

13 March 2018

Kofola ČeskoSlovensko a.s., have concluded an agreement regarding 100% stake in LEROS, s.r.o.

Report pursuant to Clause 125(1) of the Act No. 256/2004 Coll., the Czech Capital Markets Act, as amended (inside information).

Kofola ČeskoSlovensko a.s. ("Kofola"), on March 13, 2018, entered into an agreement to purchase a 100% stake in LEROS, s.r.o. ("LEROS"), with its registered office at U Národní galerie 470, Prague 5.

Founded in 1994, LEROS has established its 40-year tradition in the state-owned company Léčivé rostliny - Zbraslav, whose origins date back to 1954. It is a manufacturer with a long tradition, experienced staff and producer of high quality products from medicinal plants and quality natural teas.

Our goal is to further develop and improve its market position as a traditional Czech company, which has been built for years on solid principles. This step will create another segment for Kofola, based on herbs and authentic healthy raw materials.

On agreement with the existing majority owner, we will not publish the transaction price. In 2017, LEROS reached sales exceeding CZK 130 million.
