The total number of votes in the Company amounts to **22,291,948** (in words: twenty-two million two hundred and ninety-one thousand nine hundred and forty-eight) **votes**.

4. Participation in the General Meeting and voting

All the shareholders present are registered in an attendance list that includes information required by the Business Corporations Act. If a person is refused to be registered in the attendance list and to be admitted to the General Meeting, the refusal and its reasoning shall be specified in the attendance list. The attendance list is available in the meeting room for inspection until the closing of the General Meeting.

Items on the agenda are discussed at the General Meeting gradually in the order specified in this invitation to the General Meeting. The items that are not on the agenda of the General Meeting can only be discussed or decided if all the shareholders agree.

The chair of the General Meeting shall call on a person who suggested a proposal to present the proposal, and then they shall call on a person who suggested a counterproposal to present the counterproposal. After the presentation of proposals (or counterproposals) concerning a particular agenda item, the chair of the General Meeting shall announce which proposals or counterproposals have been submitted. Prior to the voting, the chair of the General Meeting shall ask if there are any objections to the proposals, and the General Meeting shall listen to the objections if there are any. First, the proposal made by the Board of Directors is voted on, followed by the proposal of the Supervisory Board, and then by the proposals and counterproposals of the shareholders, in the order of their presentation. If a particular proposal (or a counterproposal) is accepted, there is no more voting on other proposals and counterproposals.

The shareholders may also cast their votes by correspondence. The shareholders vote by sending the ballot to the address of the registered seat of the Company: Nad Porubkou 2278/31a, Poruba, 708 00 Ostrava. - (c) agenda item to which the voting relates;
- (d) number and face value of shares of a shareholder with which the shareholder performs the voting;
- (e) information whether a shareholder votes for, against or whether the shareholder abstains from voting; and
- (f) legalized signature of a person who signs a correspondence voting; if a correspondence voting is signed by a proxy, the proxy must attach a Power of Attorney signed by the shareholder (if a shareholder is an individual) or signed by an authorized person on behalf of the shareholder (if a shareholder is a legal entity). Signatures on the Power of Attorney must be legalized.

Correspondence voting of a shareholder that is a legal entity must be accompanied by an original or certified copy of a commercial register extract or another reliable document proving the existence of the shareholder and the authorization of the authorized person(s) to sign the correspondence vote on behalf of the shareholder or to sign the Power of Attorney based on which a proxy signed the correspondence voting. If these documents are not in Czech or English, an **official translation** of the documents or a necessary part thereof **into Czech or**

Draft resolutions on the individual items of the agenda of the General Meeting and the reasoning:

Para 2: Report of the Board of Directors on the business activities of the Company and state of its assets for 2024 and the Summary Explanatory Report on matters pursuant to Section 118 (5) (a) to (k) of Act No. 256/2004 Coll., Capital Market Undertakings Act, and the Conclusions of the Report on relations between the controlling entity and the controlled entity and between the controlled entity and entities controlled by the same controlling entity for 2024

Explanation:

Report of the Board of Directors on the business activities of the Company and state of its assets, the Summary Explanatory Report on matters pursuant to Section 118 (9) of Capital Market Undertakings Act, and the Conclusions of the Report on relations between connected entities are presented to the General Meeting in compliance with the legislation and the Articles of Association of the Company. Report of the Board of Directors on business activities, the

Summary Explanatory Report, the Report on Relations are included in the Annual Report of the Company.

This agenda item is not subject to vote.

Para 3: Report of the Supervisory Board on the results of control activities including information on the review of the Report on Relations

Reasoning:

The Report of the Supervisory Board on the results of control activities including observations on annual financial statement of the Company and consolidated financial statement of Kofola ČeskoSlovensko group as well as information on the review of the Report on Relations and opinion on it, as well as the opinion on the consolidated sustainability report for the year 2024 are presented to the General Meeting in compliance with the legislation and the Articles of Association of the Company.

This agenda item is not subject to vote.

Para 4: Approval of the Company's financial statements for 2024 and the consolidated financial statements of Kofola ČeskoSlovensko for 2024

Draft Resolution (1):

"The General Meeting approves the annual financial statements of the Company as of December 31, 2024."

Draft Resolution (2):

"The General Meeting approves the consolidated financial statements of Kofola ČeskoSlovensko group as of December 31, 2024."

Reasoning:

In compliance with the legal provisions, the annual financial statements of the Company as of December 31, 2024, as well as the consolidated financial statements of Kofola ČeskoSlovensko group as of December 31, 2024, are submitted by the Board of Directors of the Company to be approved by the General Meeting.

The annual financial statements and the consolidated financial statements present a true and fair view of the state and transfers of the property and other assets, obligations, and other liabilities as well as costs and income, economic results of the Company and consolidated level of the Company. The annual financial statements and the consolidated financial statements were approved by the Auditor (who issued an unqualified audit report) and reviewed by the Company's Supervisory Board with the conclusion that the Supervisory Board recommended the General Meeting to approve them.

The annual financial statements as well as the consolidated financial statements of the group are included in the Annual Report of the Company for 2024, available on the Company's website from May 23, 2025: <https://investor.kofola.cz/en/general-meeting/> and available in the registered seat of the Company at Nad Porubkou 2278/31a, Poruba, 708 00 Ostrava on business days from 10 AM to 3 PM until the day of the General Meeting to the shareholders for inspection.

Para 5: Decision on the management of the Company's economic result of 2024

Draft resolution:

"The General Meeting of the Company approves the distribution of the Company's profit for 2024 in the amount of **CZK 330,946,615.55** so that the entire profit of the Company for 2024 will be distributed to the shareholders as a profit share.

The General Meeting of the Company approves the distribution of part of the retained earnings of previous years in the amount of **CZK 137,184,292.45** among the shareholders.

The profit for 2024 to be distributed and the portion of retained earnings from previous years total **CZK 468,130,908** (the "**dividend**"). The dividend is thus CZK 21 per share before tax.

The record date for the exercise of the right to the dividend is the seventh business day following the date of adoption of the resolution of the General Meeting, i.e. 4 July 2025. The dividend amount is calculated on the total number of issued shares of the Company, which is 22,291,948 shares.

No dividend attributable to treasury shares held by the Company at the record date will be paid. The amount corresponding to the dividend attributable to treasury shares held by the Company at the record date for the exercise of the dividend right will be transferred to the retained earnings account of previous years. The dividend is payable on 11 August 2025.

The dividend will be paid through Česká spořitelna, a.s., ID No.: 452 44 782, with registered office at Olbrachtova 1929/62, Prague 4, Postal Code 140 00, in the manner specified in the Board of Directors' proposal for the distribution of the Company's profit for 2024 published on the Company's website <https://investor.kofola.cz/valne-hromady/> together with the invitation to the General Meeting. The dividend payment will end on 11 August 2028.

The amount of the dividend paid to the shareholder will be reduced by the advance on the share of profit for 2024, which was paid to the shareholder pursuant to the resolution of the Company's Board of Directors dated 8 October 2024 in the amount of CZK 7.50 per share before tax. The amount of the difference, i.e. an amount of CZK 13.50 per share before tax, will be designated for payment to the shareholder."

Reasoning:

The proposal of the Board of Directors of the Company for the distribution of the Company's profit for the year 2024 assumes that the entire profit of the Company plus part of the retained earnings of previous years will be paid as dividend. Thus, a total amount of CZK 468,130,908 should be paid out.

The final amount to be paid to the Company's shareholders as a dividend will be reduced by by the advance on the share of profit for 2024, which has already been paid based on the decision of the Company's Board of Directors dated 8 October 2024.

The Supervisory Board of the Company has reviewed the proposal submitted by the Management Board for the distribution of the Company's profit for 2024. It has noted that the method of distribution of profit is in accordance with the laws and regulations and the Articles of Association of the Company and recommended its approval to the General Meeting.

Para 6: Approval of the Report on Remuneration for 2024

Draft Resolution:

"The General Meeting of the Company approves the Report on Remuneration for 2024 as it was submitted to it by the Company's Board of Directors."

Reasoning:

Under the obligations pursuant to Act No. 256/2004 Coll., Capital Market Undertakings Act, as amended, the Company established a report on remuneration of Board of Directors and Supervisory Board members for 2024. The Board of Directors must submit the Report on Relations to the General Meeting for approval.

The Report gives a full account of remunerations including all benefits in any form granted to Board of Directors or Supervisory Board members or due in the 2024 accounting period. As from May 23, 2025, the Report is available on the Company's website: <https://investor.kofola.cz/en/general-meeting/>. It is also available in the registered seat of the Company at Nad Porubkou 2278/31a, Poruba, 708 00 Ostrava from the above-mentioned day until the day of the General Meeting (including the day of the General Meeting) on business days from 10 AM to 3 PM to the shareholders for inspection.

Para 7: Discussion on the consolidated sustainability report of the Company for the calendar year 2024.

Explanation:

In accordance with its obligations under Act No. 563/1991 Coll., on Accounting, as amended, the Company has prepared a consolidated sustainability report of the Company for the year 2024. The consolidated sustainability report is a separate section of the Company's annual report. The report provides the information necessary to understand the sustainability implications of the Kofola ČeskoSlovensko Group's activities and to understand the impact of sustainability on the development, performance and position of the Kofola ČeskoSlovensko Group. The report is published (as part of the annual report) on the Company's website <https://investor.kofola.cz/valne-hromady/> starting on 23 May 2025. At the same time, from that date up to and including the date of the Annual General Meeting, it is available for inspection by shareholders at the Company's registered office at Nad Porubkou 2278/31a, Poruba, 708 00 Ostrava, on working days from 10 a.m. to 3 p.m.

The consolidated sustainability report has been duly audited by the auditor - Ernst & Young Audit, s.r.o., with registered office at Na Florenci 2116/15, 110 00 Prague 1, Nové Město, ID No.: 267 04 153.

This item is not put to the vote.

Para 8: Re-election (confirmation of existing members in office) of the members of the Supervisory Board of the Company

Draft Resolution (1):

"The General Meeting of the Company hereby decides to re-elect (confirm the current member in office) a member of the Supervisory Board of the Company, Mr. René Sommer, born on 3 November 1966, permanently residing at Železnobrodská 194/17, 747 06 Chvalíkovice."

Draft Resolution (2):

"The General Meeting of the Company hereby decides to re-elect (confirm the current member in office) a member of the Supervisory Board of the Company, Mr. Moshe Cohen-Nehemia, born on 26 September 1969, permanently residing at 40500 Even Yehuda, 41 Hameyasdim st., 2nd Floor, Israel."

Draft Resolution (3):

"The General Meeting of the Company hereby decides to re-elect (confirm the current member in office) a member of the Supervisory Board of the Company, Mr. Tomáš Jednřejek, born on 3 December 1966, permanently residing at Broříkova 1073/40, Pod Cvilínem, 794 01 Krnov."

Draft Resolution (4):

"The General Meeting of the Company hereby decides to re-elect (confirm the current member in office) a member of the Supervisory Board of the Company, Mr. Ladislav Sekerka, born on 11 August 1980, permanently residing at Ronalda Reagana 1122/1a, Bubeneč, 160 00 Prague 6."

Draft Resolution (5):

"The General Meeting of the Company hereby decides to re-elect (confirm the current member in office) a member of the Supervisory Board of the Company, Mr. Alexandros Samaras, born on 12 December 1969, permanently residing at 55132 Kalamaria, Thessaloniki, Alexandrou Papanastasiou 7, Greece."

Joint reasoning for draft resolutions (1) – (5):

The term of some members of the Supervisory Board (Mr. René Sommer, Mr. Tomáš Jendřejek and Mr. Moshe Cohen-Nehemia) will be ending this calendar year. The Management Board of the Company proposes that these members be re-elected in view of the excellent work they have done for the Company. The Company's Management Board also proposes that these Supervisory Board members be re-elected at the same time as the other members whose terms of office would expire in 2026. The terms of office of all Supervisory Board members would thus run uniformly. All members of the Supervisory Board agree to their re-election.

Para 9: Appointment of the auditor to carry out the statutory audit for the accounting period of calendar years 2025-2028

Draft resolution:

"The General Meeting of the Company appoints Ernst & Young Audit, s.r.o., with registered office at Na Florenci 2116/15, 110 00 Prague 1, Nové Město, ID No.: 267 04 153, to perform the statutory audit for the accounting period 2025-2028."

Reasoning:

The Board of Directors notes that the mandate of the previous auditor to carry out the statutory audit for the financial years 2021 to 2024 has ended. In accordance with the law and the Company's Articles of Association, the appointment of the auditor is a matter for the General Meeting. In accordance with the recommendation of the Company's Audit Committee and the outcome of the tender procedure, the Company's Supervisory Board submits to the General Meeting a proposal that Ernst & Young Audit, s.r.o., whose bid was evaluated as the most advantageous, be appointed as the auditor to perform the statutory audit for the accounting period of calendar years 2025 to 2028.

Para 10: Appointment of the auditor to verify the consolidated sustainability report of the Company for the calendar years 2025-2028

Draft resolution:

"The General Meeting of the Company appoints Ernst & Young Audit, s.r.o., with registered office at Na Florenci 2116/15, 110 00 Prague 1, Nové Město, ID No.: 267 04 153, as the auditor to verify the consolidated sustainability report of the Company for the calendar years 2025-2028."

Reasoning:

The company meets the conditions set out in Act No. 563/1991 Coll., on Accounting and is thus obliged to prepare a consolidated sustainability report for the years 2025-2028. The purpose of the sustainability report is to provide the information necessary to understand the sustainability implications of the Group's activities and to understand the impact of sustainability on the development, performance and position of the Group. This report must be verified by an independent auditor in accordance with Act No. 93/2009 Coll. on Auditors. The appointment of the auditor responsible for verifying the sustainability report is the responsibility of the Company's General Meeting, as its supreme body, pursuant to Article 17 of Act No. 93/2009 Coll. on Auditors and Article 11.2 (i) of the Company's Articles of Association. Thus, the Board of Directors submits to the General Meeting a proposal to appoint Ernst & Young Audit, s.r.o. as the auditor to audit the Company's consolidated sustainability report for the years 2025-2028. The Board of Directors does so because the offer of the proposed Ernst & Young Audit, s.r.o. (which audited the Company's consolidated sustainability report for 2024) was evaluated as the most advantageous in the Company's tender procedure.
