Draft resolutions on the individual items of the agenda of the General Meeting and the reasoning:

Para 2: Amendment of the Articles of Association of the Company

Draft resolution:

"The General Meeting of the Company has made the following decision to amend the Articles of Association of the Company:

Article 4 (4.1) of the Articles of Association of the Company is amended as follows:

"4.1 Kofola's scope of business (*předmět podnikání*) is as follows:

- (a) Brokerage of trade and services
- (b) Wholesale and retail trade
- (c) Provision of software, information technology consulting, data processing, hosting and related activities and web portals
- (d) Advisory and consultancy services, preparation of expert studies and reports
- (e) Research and development in the natural sciences, engineering or social sciences
- (f) Testing, measurement, analysis and inspection
- (g) Advertising, marketing, media representation
- (h) Administrative administration services and services of an organisational and economic nature; and
- (i) Activity of accounting advisors, maintenance of accounting and maintenance of tax evidence."

Reasoning:

The purpose of the proposed amendment to the Company Articles of Association is to bring the Company Articles of Association in line with the relevant case law by the Czech Supreme Court, as interpreted by the Regional Court of Ostrava which considers the current specification of Company's scope of business unprecise.

Para 3: Report of the Board of Directors on the business activities of the Company and state of its assets for 2022 and the Summary Explanatory Report on matters pursuant to Section 118 (5) (a) to (k) of Act No. 256/2004 Coll., Capital Market Undertakings Act, and the Conclusions of the Report on relations between the controlling entity and the controlled entity and between the controlled entity and entities controlled by the same controlling entity for 2022.

Explanation:

Report of the Board of Directors on the business activities of the Company and state of its assets, the Summary Explanatory Report on matters pursuant to Section 118 (9) of Capital Market Undertakings Act, and the Conclusions of the Report on relations between connected entities are presented to the General Meeting in compliance with the legislation and the Articles of Association of the Company. Report of the Board of Directors on business activities, the Summary Explanatory Report, and the Report on Relations are included in the Annual Report of the Company.

This agenda item is not subject to vote.

Para 4: Report of the Supervisory Board on the results of control activities including information on the review of the Report on Relations

Reasoning:

The Report of the Supervisory Board on the results of control activities including observations on annual financial statement of the Company and consolidated financial statement of Kofola ČeskoSlovensko group as well as information on the review of the Report on Relations and opinion on it are presented to the General Meeting in compliance with the legislation and the Articles of Association of the Company.

This agenda item is not subject to vote.

Para 5: Approval of the Company's financial statements for 2022 and the consolidated financial statements of Kofola ČeskoSlovensko for 2022

Draft Resolution (1):

"The General Meeting approves the annual financial statements of the Company as of December 31, 2022."

Draft Resolution (2):

"The General Meeting approves the consolidated financial statements of Kofola ČeskoSlovensko group as of December 31, 2022."

Reasoning:

In compliance with the legal provisions, the annual financial statements of the Company as of December 31, 2022, as well as the consolidated financial statements of Kofola ČeskoSlovensko group as of December 31, 2022, are submitted by the Board of Directors of the Company to be approved by the General Meeting.

The annual financial statements and the consolidated financial statements present a true and fair view of the state and transfers of the property and other assets, obligations, and other liabilities as well as costs and income, economic results of the Company and consolidated level of the Company. The annual financial statements and the consolidated financial statements were approved by the Auditor (who issued an unqualified audit report) and reviewed by the Company's Supervisory Board with the conclusion that the Supervisory Board recommended the General Meeting to approve them.

The annual financial statements as well as the consolidated financial statements of the group are included in the Annual Report of the Company for 2022, available on the Company's website from May 26, 2023: <https://investor.kofola.cz/en/general-meeting/> and available in the registered seat of the Company at Nad Porubkou 2278/31a, Poruba, 708 00 Ostrava on business days from 10 AM to 3 PM until the day of the General Meeting to the shareholders for inspection.

Comment on the fact that a decision on the distribution of profit and loss is not placed on the agenda of the General Meeting:

Even though the Company has generated a profit in 2022, the Board of Directors decided not to place the decision on the distribution of the Company's profit on agenda of the General Meeting.

Given the current macroeconomic developments and the expected decline in the purchasing power of the population, the Board of Directors prefers to postpone the proposal for the distribution of profits until the time when the Kofola ČeskoSlovensko group will know its results in the 2023 high season (May through September) as last year. The Supervisory Board did not raise any objections against the above-mentioned decision of the Board of Directors.

Para 6: Approval of the Report on Remuneration for 2022

Draft Resolution:

"The General Meeting of the Company approves the Report on Remuneration for 2022 as it was submitted to it by the Company's Board of Directors."

Reasoning:

Under the obligations pursuant to Act No. 256/2004 Coll., Capital Market Undertakings Act, as amended, the Company established a report on remuneration of Board of Directors and Supervisory Board members for 2022. The Board of Directors must submit the Report on Relations to the General Meeting for approval.

The Report gives a full account of remunerations including all benefits in any form granted to Board of Directors or Supervisory Board members or due in the 2022 accounting period. As from May 26, 2023, the Report is available on the Company's website: <https://investor.kofola.cz/en/general-meeting/>. It is also available in the registered seat of the Company at Nad Porubkou 2278/31a, Poruba, 708 00 Ostrava from the above-mentioned day until the day of the General Meeting (including the day of the General Meeting) on business days from 10 AM to 3 PM to the shareholders for inspection.

Para 7: Re-election (confirmation of existing members in office) of two members of the Company's Audit Committee

Draft resolution (1):

"The General Meeting of the Company decides to re-elect (confirm the current member in office) the member of the Audit Committee of the Company, Mrs. Lenka Frostová, born on 14 August 1972, residing at Na Baranovci 1977/34, 710 00, Slezská Ostrava due to the approaching end of her term of office."

Draft resolution (2):

"The General Meeting of the Company decides to re-elect (confirm the current member in office) the member of the Audit Committee of the Company, Mrs. Zuzana Prokopcová, born 24 February 1974, residing at Na Podskalská 1252/24, 128 00, Prague 2 - Nové Město due to the approaching end of her term of office."

Reasoning:

In November 2023, the term of office of the Company's Audit Committee members, Mrs. Lenka Frostová and Mrs. Zuzana Prokopcová will expire. In view of the experience and qualifications of both members and considering the quality of their performance as members of the Company's Audit Committee, the Board of Directors places this item on the agenda of the Company's General Meeting. The intention is to ensure that the Company's Audit Committee is staffed with qualified members.

Para 8: Discussion

Explanation:

The shareholders will have an opportunity to ask questions and to discuss issues related to the agenda of the General Meeting before the end of the General Meeting.
