**NO 2/2016**

**KOFOLA ČESKOSLOVENSKO A.S.**

16 March 2016

**Results for the year 2015**

The Kofola Group increased annual revenues by 14.6 % (from 230 mio EUR to 264 mio EUR). Its operating profit increased by 33.1 % to 22 mio EUR, EBITDA by 20.5 %. It is not only because of the favourable conditions, but also due to active search for new opportunities for further expansion. In particular, in March, the Slovenian brand Radenska, a strong player in the Adriatic region, became an inseparable part of the Kofola Group. In our latitudes, an agreement on the distribution of the Rauch beverages was a fundamental change in the past year.

The results are adjusted for one-off transactions.

Detailed information on the group results are contained in the Annual report published on the Company's websites <http://investor.kofola.cz/en>.
